### **3. Assessment of the profile of Mr. Miguel María Cervera Earle**

In preparing the proposal for the re-appointment of the aforementioned Director, the Appointments, Remunerations and Sustainability Committee has taken into account the adaptation of his professional profile to the particularities of the business carried out by the Company and its Group and of the business sectors in which it operates, as well as its international character.

On the other hand, the Appointments, Remunerations and Sustainability Committee has assessed as very satisfactory the trajectory that Mr. Cervera Earle has carried out, since 2018, Member of the Board of Directors of Elecnor.

In this regard, the Company's Appointments, Remunerations and Sustainability Committee understands that, in order to properly exercise its functions of defining the Group's strategic and management guidelines and supervising their implementation, as well as decisions on matters of strategic importance at the level of Group, all the members of the Board of Directors must adequately combine sufficient capacities and skills in the following areas:

- a) knowledge of the activity sectors in which the Company and its Group operate;
- b) experience and knowledge in economic and financial aspects, in the management of highly qualified human resources and in legal and regulatory frameworks;
- c) international experience and knowledge of the most relevant geographic markets for the Company and its Group; and
- d) experience and knowledge in management, leadership and business strategy.

The candidate's curriculum vitae and his career as Director widely prove his competence as a director, his merits to hold the position of Director with the category of proprietary, his extensive experience in relevant sectors for the Company and its Group, and his deep knowledge in various business fields, which guarantees the contribution of plural points of view to the debate of the matters in the Board of Directors, especially, on the management of the Company.

In addition, it is stated that the proposed re-election and this report have been formulated taking into consideration and in strict compliance with the " Policy for the diversity of the Board of Directors and selection of Directors" (the Policy), approved by the Board of Directors Administration to comply with the recommendations contained in the Good Governance Code of Listed Companies of the Spanish Securities Market Commission.

In this sense, with regard to the procedures for selecting Directors, the Policy establishes that, when appointing/re-electing a Director, corporate interests shall prevail over any other selection criteria. In this case, Mr. Miguel María Cervera Earle is the person with the most appropriate professional profile to ensure the Company's interests in the exercise of his position, due to his extensive experience in relevant sectors for the Company and its Group, and for his deep knowledge of these, as a result of the impeccable performance of his position since his appointment.

For all these reasons, this Committee reports favorably on the re-appointment of Mr. Miguel María Cervera Earle, as Director of the Company, with the category of proprietary, considering that he continues to have all the skills and abilities necessary to hold said position.
